MEMORANDUM FOR: Deputy Director (Intelligence)

SUBJECT : Financial Data for NSC Purposes

1. This Office is of the opinion that the proposal outlined in the attached memorandum is sound and should be concurred in by this Agency.

2. In addition, it is suggested that all proposals submitted by this Agency to the Planning Board of the National Security Council which require cost estimates be presented to the Office of the Comptroller prior to submission. This would appear necessary in order to furnish the Office of the Comptroller a means for providing the Bureau of the Budget the basis for the estimates submitted.
